Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Recently, the Federal Circuit, in *McKesson Information Solutions, Inc., v. Bridge Medical, Inc.* (2005-1517) affirmed a District Court's determination that a patent was unenforceable due to inequitable conduct. The inequitable conduct was based upon a patent attorney's nondisclosure of office actions from co-pending applications.

In light of *McKesson*, I have attached an office action from a co-pending application of the present application. You may or may not find this office action to be material to the present application.

Respectfully submitted,

Hoyt A. Fleming III
